

## Model 1808 Directory Template

Using a word processor program, you can create your own directory or user message for the 1808. The number of resident names that can be listed, or the number of words that can be in a message, is dependant on the type style and font size that you use.

- The OVERALL size of the directory is 1-13/16" wide x 4" high.
- The ACTUAL VISIBAL area of the directory is 1-5/8" wide x 2-5/8" high.
- DRAWING IS NOT TO SCALE. Use it for reference only.
