

## AccessPLUS Software – Modem Connection

**REPORTS OF PROBLEMS WITH CERTAIN USB MODEMS:** DoorKing has received some reports of modem connection problems with some brands of USB Modems. Engineering has researched this and found that a change in settings within the AccessPLUS software will allow modem connection

- ☑ **IN AP SOFTWARE, CLICK ON “ADVANCED MODEM SETTINGS” BUTTON**
- ☑ **CHANGE SETTING TO “CALCULATE ANSWER DELAY”, AND SELECT “SOFTWARE CALCULATES ANSWER DELAY”**
- ☑ **CLICK OK**

**Please contact DoorKing Technical Support for more information on these changes.**
