**WARNING SIGN**
- Warning sign includes automatic light sensor
- 12 Watt LED lamp
- 9 Watt LED flood lamp
- Mounts on 3-1/2" (88.9mm) post

**SIGNAL LIGHT**
- Red/Green traffic signal can be synchronized with most vehicular gate and barrier gate operators
- Large 8" (203.2mm) red/green lenses
- 10 Watt LED bulbs

**ACCESS CONTROL SOLUTIONS**
- Keyed
  - on/off switch allows sign to be turned on or off manually
- Flood lamp
  - available for illumination
- Light sensor
  - automatically turns sign on at dusk, off at dawn
- Synchronizes
  - with most vehicular gate and barrier operators
**Traffic Signal**

The DKS Traffic Signal is an ideal accessory for any automated vehicular gate system. The traffic signal is especially useful for use with barrier gate operators and provides drivers with a visible indication of when it is safe to proceed through the traffic lane. The signal is synchronized with the movement of the gate so that the red signal is on at all times and changes to green only when the gate is open or the barrier arm is up.

**Mounting**

2" pipe (5.08mm)

**Power**

Operates on 12 VDC

**Features**

8" (20.3mm) lenses (red/green)
Includes lens shield
U.L. Listed

**Shipping Weight**

25 lbs (11.3kg)

**Warranty**

2 year limited warranty

---

**Warning Sign**

The DKS Warning Sign is typically used with traffic control spikes to warn drivers that a one-way lane condition exists and that proceeding through the lane in the wrong direction will result in severe tire damage. The red side of the sign warns drivers to stop, while the green side warns them not to back up.

A gate warning sign is also available: “Moving gate can cause serious injury or death”. The gate warning sign does not include the flood lamp.

With the built-in light sensor, the signs automatically illuminate at dusk and turns off at dawn.

**Mounting**

3-1/2" (88.9mm) post (not included)

**Power**

Operates on 115 VAC
12 Watt T8 LED tube lamp, 700 lumens
9 Watt LED flood lamp, 655 lumens

**Features**

8" (20.3mm) lenses (red/green)
Includes lens shield
U.L. Listed

**Shipping Weight**

35 lbs (15.8kg)

**Warranty**

2 year limited warranty
