

INTRODUCING

Activating a system on the Cloud..

DKS Cloud Logging In

The DKS Cloud is available for:

- ✓ DKS Cellular
- ✓ DKS VoIP – Voice & Data
- ✓ DKS Data over IP
- ✓ IM Server-Modem

The screenshot shows the DKS Cloud login interface. At the top left is the DKS Cloud logo. Below it is the URL <https://access.doorking.com> in blue text. Underneath the URL is the word "LOGIN" in black. The main login area is enclosed in a light gray box and contains two input fields: "User ID" with the text "rmiller-demo" and "Password" with masked characters. Below the password field is a dark gray "Login" button. At the bottom of the box is a blue link for "Forgot Password?".

DKS Cloud Logging In

No Hardware Changes needed!

- ✓ Works with 30 Series control boards

DKS Cloud Management

IM Server registration site:

- This is where you will add, edit or remove systems that are using the DKS Cloud.

The screenshot displays the "Entry System Management" interface. On the left, a sidebar shows the user is logged in as "rmillerdoor" with a "User ID" field containing "rmiller-demo" and navigation buttons "Go", "Previous", and "Next". Below this is a "Visit us at DoorKing Connect" link and an image of a door station. The main content area has a navigation bar with "Profile", "Entry Systems", "Billing", and "Help & Info". Under "Entry Systems", a table titled "Your Current Entry Systems - Click to Edit or Remove" lists several systems. The "Cloud" column in this table is highlighted with a red box. Below the table is a form to "Add an Entry System" with fields for "Service Type", "Phone", "Account Name (optional)", and "Master Code", along with an "Add" button and a checkbox for "Enable System Access on DKS Cloud".

Name	Phone Number	MC	Service	Cloud	Notes
Tech Room IM Server	310 641 0747	9999	IM Server	Active	000 Residents
Joe VoIP Test	310 684 2417	8888	Data over IP	Active	
VoIP Demo Kit	424 261 2571	9999	Data over IP	Active	
Allan	310 348 5057	9999	Data over IP	Off	
Verizon Box	310 740 0836	9999	Data over IP	Off	
Workshop Demo	424 702 1851	9999	Data over IP	Active	

DKS Cloud Management

To activate a system for the Cloud:

- Click on a system,
- Check the “Enable on DKS Cloud” box.
- Click “Update”

The screenshot shows the DKS Cloud Management interface. The main heading is "Entry System Management". On the left, there is a sidebar with the DKS logo, login information ("Logged in as: rmillerdoor"), a "User ID" field with "rmiller-demo" and a "Show List" link, and a "Go Previous Next" navigation bar. Below this is a "Visit us at DoorKing Connect" link and an image of a door station. The main content area has a "Profile" tab and a table of entry systems. The table has columns for "Name" and "Phone Number". The systems listed are: Tech Room IM Server (310 64), Joe VoIP Test (310 68), VoIP Demo Kit (424 26), Allan (310 34), Verizon Box (310 74), and Workshop Demo (424 70). Below the table is an "Add an Entry System" section with a "Service Type" dropdown and instructions. At the bottom, there is an "Edit or Add entry systems." section. An "Edit" dialog box is open over the table, showing fields for "Phone Number" (424 702 1851), "Master Code" (9999), and "Account Name" (Workshop Demo). A red box highlights the "Enable on DKS Cloud" checkbox, which is checked. Below the "Edit" section are "Update" and "Cancel" buttons. There is also a "Remove" section with a "Remove This Entry System" button and a warning message. At the bottom of the dialog, there is a "Manage Users" section with an "Add User ID" field and a "Remove Permission" dropdown set to "GKing99".

Name	Phone Number
Tech Room IM Server	310 64
Joe VoIP Test	310 68
VoIP Demo Kit	424 26
Allan	310 34
Verizon Box	310 74
Workshop Demo	424 70

DKS Cloud Management

NOTE: Systems “Active” for the Cloud:

- Sending Data will be blocked from desktop software 6.5 or earlier.
- This is to ensure the Cloud is the True Database

The screenshot shows the 'Entry System Management' interface. The 'Cloud' column in the table is highlighted with a red box. The table contains the following data:

Name	Phone Number	MC	Service	Cloud	Notes
Tech Room IM Server	310 641 0747	9999	IM Server	Active	000 Residents
Joe VoIP Test	310 684 2417	8888	Data over IP	Active	
VoIP Demo Kit	424 261 2571	9999	Data over IP	Active	
Allan	310 348 5057	9999	Data over IP	Off	
Verizon Box	310 740 0836	9999	Data over IP	Off	
Workshop Demo	424 702 1851	9999	Data over IP	Active	

DKS Cloud Management

- The systems will then be available when you log into the Cloud.

The screenshot shows a web browser window with the URL `access.doorking.com/EntrySystemManager.aspx`. The interface includes a menu bar with "FILE", "VIEW", "ACTION", "OPTIONS", and "HELP", and a sub-menu with "IM Server/DK Cellular Registration". Below the menu bar are icons for "Snd Data", "Rcv Tran", "Activity", "Messages", and "Share Info". The main content area is divided into a left sidebar and a right table. The sidebar contains a tree view with items like "Scheduled Transfers", "Entry Systems", "90 demo", "DK East 90", "Tech Room IM Server", "System Information", "Hold Open", "Security Level", "Anti Pass", "Resident", and "Transactions". The table on the right has columns for "Entry System", "Contact Name", and "Contact Phone".

	Entry System	Contact Name	Contact Phone
1	90 demo	Tech Support	800 826
2	DK East 90	Ed Curry	856 691
3	Tech Room IM Server	Ron Miller	310 645
