

1602 OCTAGON ARM EXTENSION KIT / REVERSE EDGE

DoorKing Part Numbers:

1602-303

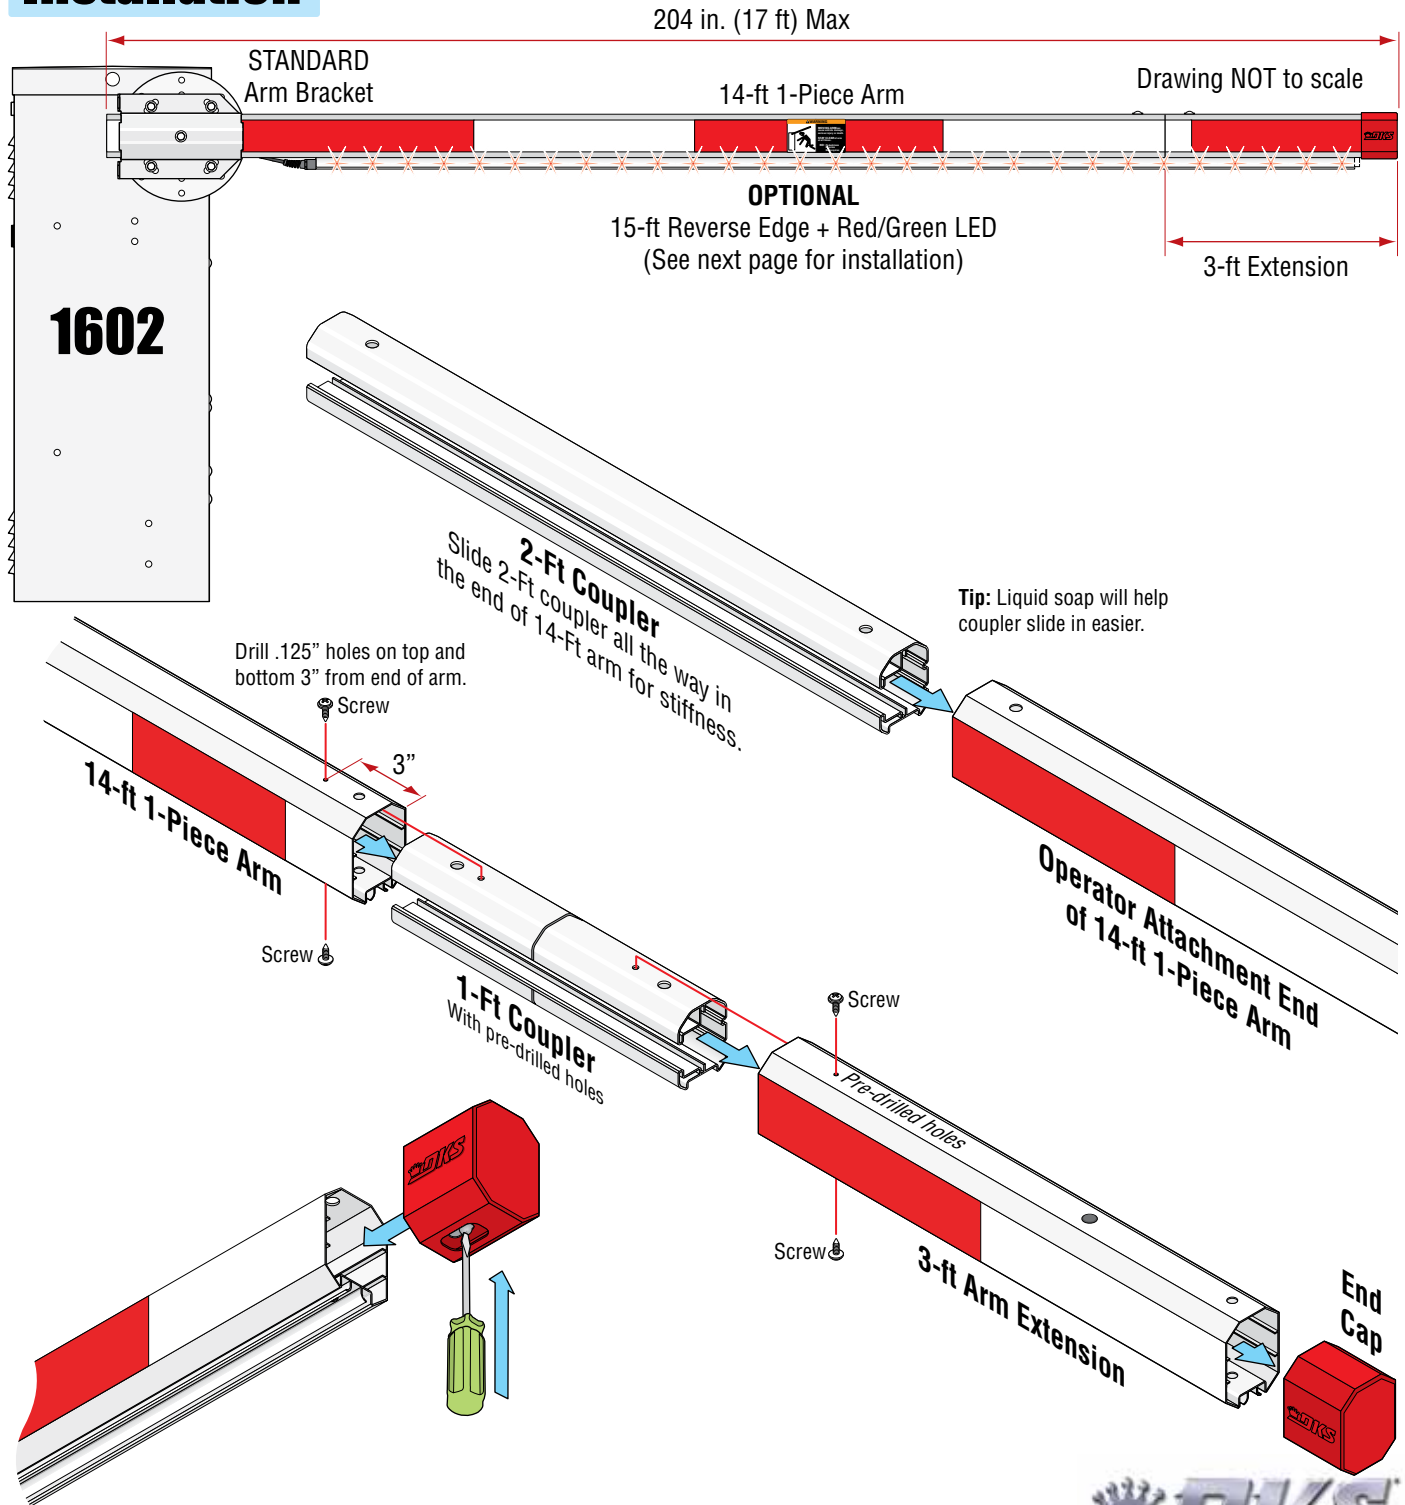

Octagon Arm 3-ft Extension Kit

8080-315

15-ft Reverse Edge + Red/Green LED
(Sold Separately)

This kit is designed for a **1602** barrier gate operator **ONLY**. It **CANNOT** be used with 1601 barrier **OR** 1603 auto-spikes barrier operators. It will extend a 14 ft octagonal arm an **extra three feet**. The reverse edge is sold separately but **highly recommended** for safety when lowering this very long arm.

Installation

Install End Cap

Push a screwdriver through the hole in cap to release spring **while** pushing cap on. Keep pushing cap on until a "**CLICK**" is heard, locking it in place.
