DKS® eVolve™

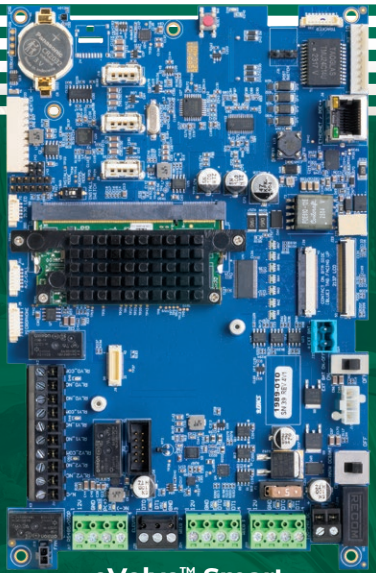

2132 VIDEO ENTRY SYSTEM

THE NEXT GENERATION OF ACCESS CONTROL

Space-Saving Design. Powerful Control. Smarter Connectivity.

- Visitors communicate with residents via integrated camera, microphone, and speaker. Access can be granted via the DKS Community App, touch-tone phone, or keypad.
- Slim, space-saving design ideal for limited mounting areas. Optional flush mount kit available for a more streamlined look.
- Supports 10,000 users, 10,000 (4 or 5 digit) entry codes, and up to 25 device codes per user.
- Live video streaming, recording/playback, and real-time transaction monitoring.
- Geo-Fencing for automatic door/gate control based on user location.
- Expandable to 48 entry points using optional Tracker expansion boards.
- Ethernet or cellular connection, with PoE++ enabling simplified installation (no separate power supply required).
- Managed through DKS Cloud, with programming and reporting via the DKS Community App (iOS & Android).
- Powerful day/night camera with enhanced image clarity.
- Soft-glow illuminated keys and call button for optimal nighttime visibility.
- 2-Year limited factory warranty.

eVolve™ Smart Controller

Built-in smart controls with Digital Onboard Operator Controls and Programming Access Controller via RS485. USB configuration backup, event logging, and diagnostics.

Residential • Commercial • Industrial

Community App

User Level allows tenants to easily grant access with video confirmation of who is at the entry. Manager Level, Enhanced User Levels have even more control over customized access.

Cloud Programming

Cloud-based programming and reporting via DKS Community Cloud lets managers work remotely with 100% control.

Color Display

Featuring a 4.25" W × 2.625" H full-color screen. Easily customize the welcome message and upload your own background image for a clean, professional first impression.

ACCESS CONTROL SOLUTIONS

DKS eVOLVE™

2132 VIDEO ENTRY SYSTEM

2132 VIDEO ENTRY SYSTEM

USERS	10,000
ENTRY CODES	10,000 (4 OR 5 DIGIT)

Note 4: Requires cellular connection kit - sold separately. Additional monthly cellular connection fee applies.

TECHNICAL FEATURES

SPECIFICATION

Input Power: POE++ (Type3) or 12-24 VDC (18VDC Power Supply Included)

Connection: Ethernet or Cellular

Color Display: 4.25 W x 2.625 H (inches)

Users: 10,000

Device Codes: Up to 25 per User

Entry Codes: 10,000 (4 or 5 digits)

Wiegand Inputs: Two (2) Expandable to 48 (with Tracker expansion boards)

Internal Relays: Three (3)

Events Buffer: Up to six (6) months

Elevator Control: Up to eight (8) elevators, 64 floors each

Postal Lock Provision: Yes

Tamper Switch: Yes

Built-In Card Reader Provision: Yes

Dimensions: 17.25 H x 6.75 W x 3.75 D (inches)

Operating Temperature: -20°F to 130°F (-29°C to 54°C)

Security hood and flush mount kits (optional)

FEATURES

Directory Listing: Last name first or first name first

Customizable Home Screen: Yes

Visitor (Guest) Management: Scheduled or one-time

Geo-Fencing Access Control: Can be enabled or disabled

User Auto-Expire: Yes

Security (Permission) Levels: 31 (10 Time Zones each level)

Entry Code Schedules: 10

Holiday Schedules: 55

Hold Open Schedules: 15 (Auto-Cancel can be enabled)

Do-Not-Call Schedules: 10

Do-Not Disturb for Video Calls: (User enable or disable)

APPLICATIONS

DKS Community App: Manager Level, Enhanced User Level, Standard User Level

(Enhanced and standard levels are assigned by the manager)

DKS Cloud (required): All programming
